

STOP BULLYING AND TEASING

Presented by Layla and Niah

Bullying and teasing people is not okay especially for how they look

This can make the
person you tease very insecure and
doubt themselves
which does NOT feel good!

Why you need to stop bullying

If you bully people for your whole life you will start losing friends as you grow up or will end up with fake friends because no one actually likes a BULLY.

01.
BULLYING IS WRONG
